Dear President,

We are pleased to inform you that the third International Educational FISU Volunteer Leaders Academy 2019 will be organised on 12-18 September 2019 in Kazan, Russia.

The third edition of the Academy will be devoted to the further implementation of FISU Ambassadors programme and the training of volunteer coordinators for World University Championships 2020. The Academy offers an intense educational programme that includes lectures, roundtable discussions and group projects.

We kindly ask you to appoint a candidate to represent your country at the Academy 2019 and send the information about the nominated candidate before April 1, 2018 at ambassadors@fisunet (Project Manager: Ms Albina Rakhmatullina).

Please note that the most active current FISU Student Ambassadors can represent their country in 2019 after the approval of their federation. Decisions would be made according to their performance in 2018 by FISU and their NUSF/CUSF.

The Organising Committee covers all costs for one participant per country, including travel expenses, accommodation, meals, medical insurance and educational programme for the period of the Academy. Please note, that the organisers reserve the right to purchase tickets in Economy Class at the most affordable rate.
